

# HD BOXES

HD boxes can be rented monthly to enhance your subscription by adding HD channels available in your tier. Digital Basic and Extended Digital Basic tiers require an HD box for service.

## Non-DVR HD Box

This HD box can be paired with any of our service tiers and provides access to any HD channels included in the tier.

## DVR HD Box

This HD box can be paired with any of our service tiers, giving you access to any HD channels available in the tier. It includes a DVR capable of recording up to 200 hours of SD or 80 hours of HD TV shows.

## Multi-room DVR

A DVR plus one or more non-DVR HD boxes gives you a multi-room viewing experience. Record whatever you want and playback from any non-DVR HD box. This service is available at only \$1 per month.
